PRINCE GEORGE'S COUNTY BOARD OF EDUCATION RELEASES NEW FREQUENTLY ASKED QUESTIONS (FAQS) TO ENHANCE TRANSPARENCY, ADDRESS COMMUNITY QUESTIONS ON NEW SUPERINTENDENT

Upper Marlboro, MD – The Prince George's County Board of Education is pleased to announce the release of a comprehensive Frequently Asked Questions (FAQ) document. "We've heard our community's call for more accessible information," said Board Chair Brannndon Jackson. "This FAQ is a step forward in helping everyone better understand how the Board operates, how decisions are made—including those regarding leadership—and how they can participate in shaping the future of our schools."

In response to increased public interest and feedback, the FAQ includes a dedicated section on the newly appointed superintendent—covering the selection process, leadership priorities, and contract details.

In addition to information about the superintendent, the FAQ addresses a wide range of topics, including Board operations, Maryland policy, and community engagement. The FAQ will be updated more regularly to reflect new developments and to address additional questions submitted by the public.

This initiative is part of the Board's ongoing efforts to build trust, increase transparency, and ensure that all members of the Prince George's County Public Schools community are informed and empowered.

The FAQ document is now available on the Prince George's County Board of Education website at: <https://www.pgcps.org/offices/board-of-education/news-releases>
