What's Going On?

MCAP TESTING

MCAP Testing 2025 has begun! All ELD students participate in MCAP Testing. Please ensure your children are getting a good night's rest, and arrive to school on time, to ensure they do not miss any parts of the assessment.

Speaking & Writing Tasks

Our ELD students are also in the process of completing the final Speaking & Writing Tasks for this school year. These assessments help us to measure the progress our Multilingual students have made with their development of the English language.

ACCESS Scores

The scores for the 2025 WIDA ACCESS assessment will be available during the month of May. Scores will be shared with students. Score reports will be sent home once they are made available.

Let's Celebrate!

May is Asian American and Pacific Islander (AAPI) Heritage Month! This is a time to recognize and celebrate the history, culture, and contributions of people in the U.S. who have roots in Asia and the Pacific Islands. This month honors the achievements of AAPI individuals in areas like art, science, politics, and community life, and it also helps others learn more about their traditions and experiences.
