## HOMEWORK TIP OF THE MONTH

**Plan:** Create a list of what you need to do, including deadlines. Break big assignments into smaller chunks.

**Find a good place to work:** Find a quiet place without distractions.

**Take breaks:** Schedule time to work and take breaks to re-energize.

**Establish a routine:** Work on homework at the same time each day.

**Ask questions:** Ask your teacher for clarification about assignments.

**Use study techniques:** Take notes, underline, or draw pictures to help you process information.

**Get organized:** Have all the supplies you need in one place.

**Prioritize:** Focus on more challenging assignments first.

**Take responsibility:** Know how much weight each assignment carries.

**Be consistent:** Develop good work habits to help you succeed.

## TIPS FOR PARENTS

**Help your child develop good study habits.**

**Establish boundaries around study time.**

**Encourage your child to break up big assignments into manageable chunks.**

**Emphasize the value of diligence and consistency.**
